KSSPL is equipped with independent Technical Systems Division to meet Client's technical requirements like Electronic Access Control Systems, CCTV and Surveillance System, Fire Alarm, Intruder Alarm systems, Sprinklers systems, PA Systems etc. We have been providing total solutions at single window, to meet the requirements of the clients.

TRAINING FACILITIES

We have established Training School in Bhubaneswar manned by ex-Defense officers imparting basic training to the newly recruited guards. In addition, we have full-fledged Training Academy handled by ex army Officer at Bihar to meet the requirements of operations. Our main subject of training includes Basic Training on security, Guests Handling, Reception and Telephone related duties, Industrial Security, Fire fighting and prevention, handling of contingencies and crisis management etc. Refresher training of one to two days is also organized for the experienced security personnel. On the job training is however inbuilt.

STANDARD POLICY OUR GUARDS

We strongly believe that our guards are the backbone and therefore their performance and personality reflect upon our Standards. To ensure that the guards match up to the high Standards in quality, all our guards have to undergo a selection process where they are screened for their qualities of intelligence, interest, courtesy, integrity and motivation and individuals who can operate under stressful situation and communicate well.

ROTATION OF GUARDS

To preclude the possibility of complacency and avoid over familiarization, the guards are rotated on regular basis. However, in case of specific request from the client, a guard may be permitted to continue over the stipulated time.
